

# Our Whole School Art Flight Path

Their journey begins at MPJS

The journey begins in Year 3 with their very own sketchbook. Children will learn how to record, practise and develop their creativity in an effective way throughout their years at MPJS.

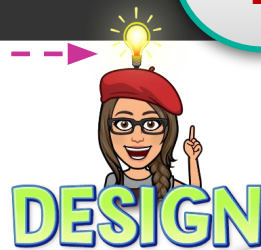

In Year 4, the children begin by combining mathematics with artistic technique and investigate patterns. In Spring, they will explore the works of *William Morris* and use drawing and painting to create prints. To finish the year, they will apply both topics to investigating jewellery design and creating 3-D model jewellery of their very own.

Lower  
KS2

Year  
3

Year  
4

In Year 3, children will begin the year by researching and applying a variety of drawing and paint techniques through *Andy Warhol* and the Pop Art movement. In Spring, they will explore 3-D sculpture inspired by nature and by Summer they will dive full speed into Aboriginal Art; focusing on journey pieces.

Upper  
KS2

In Year 5, they will continue to work on their painting and drawing technique as they dive into cityscapes art. In the Spring, the children meet *Frida Kahlo* and will work on mastering their drawing and self-portrait skills. Finally, they will finish the year using 3-D sculpture to create their own vase out of clay.

Year  
5

Upper KS2, children have mastered the basic skills and are ready to study art in depth.

Year  
6

In Year 5, they will also be assessed for the Arts Award Explore. This means that by the end of the year, they will hold an Entry Level 3 art qualification!

The children finish their MPJS art journey in year 6 exploring all of the key skills by looking at African Art, studying *Monet* and the impressionists and their specific techniques and finally, learning about designing stencils and the power of 'Street art'.
